Today, Ms. Carolyn “DeAnn” Cruse has been sworn in as the Meriwether County Tax Commissioner. Ms. Cruse has extensive financial experience that she will bring to the Office. She previously served in the Office of the Tax Commissioner as Clerk and Bookkeeper and, more recently, as Bookkeeper to the Probate Court. While we are pleased with the appointment, we want to caution the public that there will be a transitional phase as she moves into her new role. We are asking for the patience of our citizens during this transition. Meriwether County is looking forward to working with Ms. Cruse.
